DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

See Attachment.

Art Unit: 2872

1. The reply filed on 11/08/2007 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): Applicant failed to explicitly identify and elect one of the species, as clearly set forth as item 2 in the communication mailed on 10/10/2007. In addition, applicant failed to provide a clear listing of all claims which applicant believes to be readable on the elected species. Please be advised that claims themselves are never species (see MPEP 806.04 (e)). Accordingly, in order to be completely responsive to this communication, applicant is required to explicitly elect one of the defined species along with providing a clear listing of the claims readable thereon. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Ricky D. Shafer whose telephone number is (571) 272-2320. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free). If you would
